testing. No response was subsequently received from Mr. Scott. At 4:19 p.m., a second voice mail was left for Mr. Scott, this time directing him to report on October 4, 2024, at 8 a.m. Mr. Scott failed to report as directed on October 3, 2024. At 11:20 p.m., Mr. Scott sent a text message to the undersigned officer indicating that his cell phone had broken, and he had just obtained it back repaired. Mr. Scott committed to reporting at 8 a.m., on October 4, 2024, as directed in the second voice mail.

At 8 a.m., on October 4, 2024, Mr. Scott reported as directed and indicated his current sobriety. Mr. Scott submitted to urinalysis testing, the result of which appeared dilute and tested presumptive positive for cocaine. Upon being confronted, Mr. Scott admitted that he had lied about his cell phone being broken and advised that he had in fact relapsed on cocaine previously occurring on or about October 2, 2024. Mr. Scott did additionally sign a drug use denial form serving to memorialize the admission.

Standard Condition #3: You must not knowingly leave the federal judicial district where you are authorized to reside without first getting permission from the Court or the probation officer.

Supporting Evidence: Mr. Scott is alleged to have violated standard condition number 3, by traveling into the District of Idaho, beginning in September 2024, and then occurring on a weekly basis thereafter for approximately the last month, without receiving permission from the Court or the U.S. Probation Office.

On October 4, 2024, Mr. Scott reported to the U.S. Probation Office in Spokane, as directed for the purpose of urinalysis testing. During Mr. Scott's scheduled office contact, the undersigned officer advised Mr. Scott that this office was in receipt of collateral information that he had traveled out of the district without permission. In response, Mr. Scott admitted to having traveled into the District of Idaho, on approximately four separate occasions, occurring on a weekly basis for approximately the last month. Mr. Scott acknowledged his awareness that such travel was in violation of this officer's instruction and his conditions of supervised release. Mr. Scott indicated that he had engaged in such travel in an effort to visit his girlfriend who lives in the district.

It should be noted that Mr. Scott had been given previous approval to travel into the District of Idaho to visit his minor-aged children who live in the district, but he was provided specific instruction that travel into the district for any other reason required approval from the undersigned officer. Mr. Scott acknowledged the directive.
